Understanding Delta's flight change fee policy can save you hundreds of dollars. Since Delta permanently eliminated most change fees in 2020, the rules have fundamentally changed — but there are still important nuances around fare differences, same-day changes, and Basic Economy restrictions. This guide answers every question about what it costs to change a Delta flight in 2024–2025. For immediate help, call **+1-844-994-3876** available 24/7.

## Does Delta Charge a Flight Change Fee?

No. Delta Airlines eliminated flight change fees permanently in October 2020 for Main Cabin and above tickets originating in the US, Canada, and Caribbean. You will not pay a change penalty. If your new flight costs more, you pay only the fare difference. Call +1-844-994-3876 to confirm your ticket's change eligibility.

Delta's removal of change fees was one of the most significant airline policy changes in decades. Previously, changing a Delta ticket cost \$200–\$500 in fees alone. Today, there is zero change penalty for qualifying fare types. The only cost is the fare difference — the price gap between your original ticket and the new flight you want.

## What Is the Delta Flight Change Fee for Basic Economy? Delta Basic

Economy tickets cannot be changed under standard policy — there is no change option, not just a fee waiver. Within 24 hours of booking, you can cancel for a full refund. During active travel waivers (weather events), Basic Economy may become changeable. Call +1-844-994-3876 to ask about current waivers.

Basic Economy is Delta's most affordable and most restrictive fare. The trade-off for the lower price is zero flexibility after the 24-hour free cancellation window. The only exceptions are: (1) active travel waivers for weather or operational disruptions, and (2) compassionate exceptions handled

case-by-case by supervisors at +1-844-994-3876.

## What Is a Fare Difference and How Is It Calculated?

A fare difference is the price gap between your original ticket and the new flight you want. If the new flight costs more, you pay the difference. If it costs less, you receive a Delta eCredit. There is no additional fee on top of this. Call +1-844-994-3876 for an exact fare difference quote before confirming any change.

- **New flight costs \$80 more:** You pay exactly \$80. No other fees.
- **New flight costs \$60 less:** You receive a \$60 Delta eCredit to your SkyMiles account.
- **New flight costs the same:** Change is completely free — no payment required.
- **Upgrading cabin class:** You pay the full fare difference between your current cabin and the new one.
- Always ask the agent at +1-844-994-3876 to compare nearby dates — a shift of 1–2 days often eliminates the fare difference entirely.

## What Is the Same-Day Flight Change Fee on Delta?

The Same-Day Confirmed Change fee is \$75 per person for domestic flights. Platinum and Diamond Medallion members get Same-Day Confirmed Changes free. Same-Day Standby is always free for all eligible passengers. Request via the Fly Delta app or call +1-844-994-3876.

**Step 1.** Call **+1-844-994-3876** or open the Fly Delta app starting the evening before your departure.

**Step 2.** Tell the agent (or select in-app): **Same-Day Confirmed Change** to guarantee a seat on a different same-day flight. Fee: \$75 (waived for Platinum/Diamond Medallion).

**Step 3.** Or select **Same-Day Standby (free)** — you are added to the waitlist for an earlier flight. No charge; your original flight remains as backup.

**Step 4.** Confirm your choice. For Same-Day Confirmed, your new boarding pass is issued immediately.

**Step 5.** If requesting at the airport, go directly to the Delta gate agent or ticket counter before boarding begins.

**Is the Delta Change Fee Waived for Weather or Emergencies?** Yes. Delta issues travel waivers during weather events allowing free changes for all fare types — including Basic Economy. Medical and bereavement exceptions are handled case-by-case by supervisors. Check [delta.com/travelalerts](https://delta.com/travelalerts) or call +1-844-994-3876 to apply an active waiver.

When a major storm threatens an airport or region, Delta publishes a waiver at [delta.com/travelalerts](https://delta.com/travelalerts)

that allows one free rebooking within a 14-day window — waiving both the change fee (already \$0) and the fare difference. For medical or personal emergencies, call +1-844-994-3876 and ask for a supervisor who can evaluate your situation.

**How Much Does It Cost to Change a Delta Flight Last Minute?** Changing a Delta flight last minute incurs no additional penalty beyond the standard fare difference. Same-Day Confirmed Changes cost \$75 for most passengers. For flights already departed, no changes are possible. Call +1-844-994-3876 immediately for last-minute help.

Last-minute changes follow the same no-fee structure. The practical challenge is that flights near departure often have very limited seat availability priced at premium fares — making fare differences potentially larger. The most cost-effective last-minute option is Same-Day Standby (free) if you need an earlier flight.

**Does Delta Charge a Change Fee for International Flights?** No. Delta's no-change-fee policy applies to international tickets in Main Cabin and above originating from the US. Fare differences may still apply based on international pricing. For international changes involving partner airlines, call +1-844-994-3876 or +1-844-213-9506 for international callers.

International fare differences can be significant due to complex pricing structures. Tickets involving partner airlines (Air France, KLM, Virgin Atlantic) may require coordination between carriers. Always request a full fare quote before confirming any international change.

**Is It Free to Change a Delta Flight Within 24 Hours of Booking?** Yes. Under the DOT 24-hour rule, you can cancel any Delta ticket within 24 hours of booking for a full cash refund — free of any fee — as long as the flight departs at least 7 days after purchase. Cancel, then rebook with correct details. Call +1-844-994-3876.

The 24-hour rule is the most powerful passenger protection available. Rather than changing directly, cancel for a full refund and immediately rebook with your preferred dates or corrected passenger name. The window is exactly 24 hours from payment confirmation — not 24 hours before the flight. Act quickly at +1-844-994-3876 if you need to use this rule.

**How Does the Delta Change Fee Compare to Other Airlines?** Delta has one of the best change fee policies in the industry — \$0 for most tickets. American and United have similar no-fee policies. Southwest has no change fees on any fare. Spirit and Frontier still charge fees up to \$119. Delta's \$75 same-day change fee is standard among major carriers.

- **Delta Airlines:** \$0 change fee (Main Cabin+). \$75 same-day confirmed. Call

+1-844-994-3876. • **American Airlines:** \$0 change fee (Main Cabin+). \$75 same-day confirmed. • **United Airlines:** \$0 change fee (Economy+). \$75 same-day confirmed.

- **Southwest Airlines:** \$0 always — no change fees on any fare class.
- **Spirit Airlines:** Up to \$119 change fee depending on timing.
- **Frontier Airlines:** Up to \$79 change fee. Free if cancelled 60+ days before.

**What Happens to My eCredit When I Change to a Cheaper Flight?** When you change to a cheaper Delta flight, the fare difference is issued as a Delta eCredit to your SkyMiles account automatically. eCredits issued after May 2022 do not expire. Apply eCredits to any future Delta booking at delta.com or by calling +1-844-994-3876.

Delta eCredits equal the exact fare difference between your original ticket and the new one. To use your eCredit: log in at delta.com, search for a flight, and on the payment screen click 'Apply a Travel Credit or Certificate.' Your eCredit balance appears automatically. If you have trouble finding or applying your eCredit, call +1-844-994-3876 and an agent can apply it manually.

**Can Medallion Members Change Delta Flights for Free?** Yes. All SkyMiles Medallion members change flights with no penalty fee. Platinum and Diamond Medallion members also get Same-Day Confirmed Changes free (normally \$75). Call the SkyMiles priority line at +1-844-994-3876 for priority service.

Medallion status provides priority phone routing and enhanced change flexibility. Platinum and Diamond members have the greatest flexibility — zero fees on all changes including same-day confirmed. Always call +1-844-994-3876 rather than the general line for faster service and to ensure your status benefits are applied correctly.

**■ Medallion Members — Priority Change Line: +1-844-994-3876**

**Are There Any Hidden Fees When Changing a Delta Flight?** No hidden fees apply. The only potential costs are: (1) the fare difference if the new flight costs more, and (2) the \$75 same-day confirmed change fee if applicable. Delta does not charge reissuance, processing, or service fees. Call +1-844-994-3876 to confirm.

Delta's change policy is transparent. The fare difference is shown clearly before you confirm any change online or over the phone. If an agent ever mentions fees beyond the fare difference or the \$75 same-day fee, ask them to clarify and escalate to a supervisor if the fee seems incorrect.

**What Should I Ask Before Confirming a Delta Flight Change?**

Before confirming, ask your Delta agent: (1) What is the exact fare difference? (2) Is there an active

travel waiver covering my booking? (3) Is the fare the same if I shift by 1–2 days? (4) Will my eCredit be issued immediately? Call +1-844-994-3876 and ask these four questions.

These questions can save you significant money. Agents at +1-844-994-3876 run fare comparisons across multiple dates in real time. Sometimes a shift of one day eliminates the entire fare difference. Always confirm your eCredit amount before ending the call if changing to a cheaper flight.

**Can I Avoid a Fare Difference When Changing My Delta Flight?** Yes — by choosing a new flight priced the same or lower than your original ticket. Use Delta's Flexible Dates calendar on delta.com to compare prices across the month. Flying Tuesday or Wednesday typically offers the lowest fares. Call +1-844-994-3876 for help finding a zero-difference alternative.

The Flexible Dates tool at delta.com shows the lowest available fare for every day of the month at a glance. Shifting your trip by 1–3 days to a lower-demand day can eliminate the fare difference entirely. Mid-week departures (Tuesday/Wednesday) are consistently 20–30% lower than peak days (Friday/Sunday).
